Mudcrack, road

What kind of truck?

slats on side but is completely  
packed solid w/ boxes

: Small truck - 20' to 25'

: not a semi or long delivery truck

W/ of flat bed farm truck

- Small light colored cars in front of,  
behind, truck - one in front is some  
distance ahead.

[What is current location of cocaine  
per 92-42-0?]

A/s  
Ben; moved via large brown  
wooden box cars.

Await; remainder of shipment;  
feels like it was moved in two  
loads.

worked wood

A/s furniture - tables, frames

awaiting  
via land

awaiting  
landing

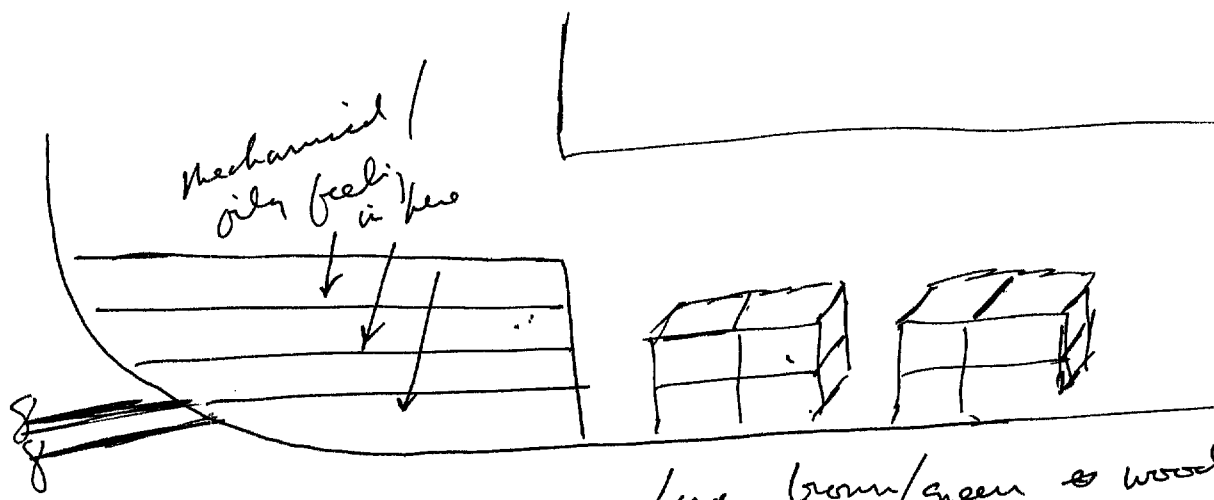

on  
ship

other:  
change of  
plans

awaiting  
via plane

awaiting  
via  
ship

[Location of container 0/coke]

Boxes contain  
objects that are some  
how associated w/ crew  
of bedrooms, ~~etc.~~  
~~beds etc~~  
~~we saw the~~

Large brown/green & wooden  
boxes; sit next to hull on  
both side of ship; immediately  
in front of a container,  
oily / mechanical feeling,  
area

A/S

Engine room  
etc.

Moves straight through;  
in other words, it doesn't  
sit around awaiting loading;  
immediately transferred to  
vessel.

2)  
[Any other pertinent data on  
location of cocaine?]

6-8 armed men  
watch cargo inside  
of hold. Watch it has  
it is moved into place.
